You are invited to include the following suggestions of local and broader concern in your private prayer during the year.

### 17th (18th - 25th Refugee Week)

- ✦ BEACON, a project we are currently supporting – the Bradford project working with refugees and asylum seekers.

### Further Prayer Opportunities

### More help needed to join our team of cooks at Dad's Big Breakfast.

This new, once a month event provides a fun way for dads and their children to spend some time together.

Central to the event is providing a delicious breakfast. We need one or two more people to help out our team of cooks to keep the beans and bacon coming!

If you feel you can help, please contact Jonathan Logan

**Stewardship Update**—Summary information collected from the Stewardship returns has now been passed to the new Leadership Team. Over the next few weeks, they will be passing it on to particular area coordinators who will be in contact with those of you who have expressed interest in a new area of Church Life.

Please be patient, but if you can't and want to get involved immediately, or feel that you might have been missed, then please contact that coordinator directly to get things moving more quickly!
