ACTION FOR CHILDREN We would like to say a massive THANK YOU to all those who have supported us in raising funds for Action for Children by taking and filling a lantern with any spare cash. We have had a fantastic response from existing lantern holders and several people who took a lantern from us for the first time. You have raised the amazing total of £457.57. Wow!

Some of you may not be aware of the massive benefits your donations make in working to support families and children in difficult and stressful situations so, if there are any more of you out there who would like to take a lantern or would like to have more information about the Charity, please leave a note in the "B" pigeon hole for us.

Once again our sincere thanks, Stefan and Lynn Bochonek
