October 20th

You are invited to include the following suggestions of local and broader concern in your private prayer during the year.

- ✠ The members and leaders of Christchurch Guild.

The Bible Retold as Science: Steve Jones

This event has been rescheduled to this afternoon at 2:00pm in the Kings Hall, a bigger venue, so more tickets are now available, by phoning Tel 01943 816714 or applying online via Literature Festival website.

Are we all descended from a real-life Adam and Eve? Was the Bible's great flood really a memory of the end of the Ice Age? Steve Jones, Britain's most highly-respected geneticist, Emeritus Professor of Genetics at University College London and 1991 BBC Reith Lecturer, explores the shared mysteries of faith and science, and suggests viewing the Bible - 'the first scientific text book' - in the light of modern research
