Tearfund Haiti Hurricane Disaster Appeal

After our services on 16th and 23rd October, we are having a retiring collection for the Tearfund Haiti Hurricane disaster appeal.

tearfund

Haiti's latest hurricane is 'the worst in over 50 years'. It has left a trail of catastrophic damage in the nation, with torrential rain and powerful winds. The current devastation includes widespread flooding and landslides.

Between 3 and 5 million people have been affected, with many thousands of homes destroyed, along with schools and other key infrastructure. Many farms and much of the nation's harvest have been destroyed.

If you wish to give directly to Tearfund please visit their website www.tearfund.org
