Dementia Friends

An invitation to a Dementia Friendly Presentation
A representative from Ilkley "Dementia Friends" is coming to Christchurch to run an awareness presentation on Dementia. The presentation will help you to identify people with dementia, how to support individuals with dementia, and how to raise awareness of it within the community. At the end of it you will become a "Dementia Friendly individual".

The meeting will be held in Christchurch Café on Tuesday 15 May from 7:00pm and refreshments will be served afterwards.

If you would like to attend please let Liz Frankland, Kathryn Emmott or Helen Singleton know in person, or via email christchurchilkleycafe@gmail.com.

Liz & Kathryn - Christchurch Café

I am pleased to announce that the plans for a monthly service for children with Special Needs and their families has been approved. The first service will be taking place on the first Sunday in May in the late afternoon.

I am very grateful to all those who have offered support and encouragement for this venture, which I believe will be well received by families with whom we have already made contact through Dan's Den.

We now need to arrange for help in the following areas: music, welcome, refreshment in Dan's Den, PA desk and 'extra pair of hands' support for families. I hope that we can put together a rota so that there is not too much of a burden on individuals. None of these roles will need any special knowledge or experience though in the case of hands on support a DBS check may be required.

I would be most grateful if anyone willing to help would contact me on 07726888994 or at christine.kaicheri@gmail.com, indicating what kind of help you could give and how often. I would be grateful if you could do this even if you have already been lovely enough to say that you would be willing to help.

Many thanks again for all your support.
